### Mason District Great Parks, Great Communities Workshop Reset

A scheduling conflict has caused the rescheduling of the Great Parks, Great Communities Planning Workshop and Open House originally slated for Tuesday, January 22, 2008 at the Mason District Government Center. Instead, the program has been reset for Wednesday, March 5, 2008 at the same location at 7 p.m.

According to Park Authority Senior Planner Scott Sizer the change was made to accommodate interested stakeholders who wanted to attend but already had a commitment for a separate meeting. "We are glad that there is this much interest and we want to work with community groups to ensure that we get lots of feedback as we plan the parks of the future," said Sizer. Ten district meetings will be held across the county between now and the end of spring.

Mason District Supervisor Penny Gross, along with Park Authority Board Member Frank Vajda and Planning Commissioner Janet Hall will host this event. Great Parks, Great Communities is an exciting new planning process initiated to get the public's ideas for balancing Fairfax County's future park needs and resources, within each district of the county.

For more information about these meetings please contact the Planning Division at 703-324-8694 or send us an e-mail with questions and/or comments at [Parkmail@fairfaxcounty.gov](mailto:Parkmail@fairfaxcounty.gov).
